

**RAAL**<sup>®</sup>  
complete cooling solutions

AIR COOLERS

**AIR COOLERS**

**PLATE&BAR AIR COOLERS**

- Charge Air Coolers
- Compressed Air Coolers
- Air Coolers for Dryers

- Robust and compact construction
- Long lasting
- Very large dimensional range
- High resistance to mechanical and thermal loads, etc.
- Suitable for low and medium series

**EQUIPMENT and APPLICATIONS**

Agricultural and forestry equipment  
 Construction and mining equipment  
 Commercial Vehicles  
 Railway equipment  
 Military equipment  
 Compressors  
 Air Dryers  
 Industrial equipment

**AIR COOLERS**

**TUBE&FIN AIR COOLERS**

- Reduced weight and costs
- Good heat transfer performances
- Attractive design
- Suitable for medium and large series

**EQUIPMENT and APPLICATIONS**

Automotive  
 Commercial Vehicles  
 Industrial equipment

**SHELL AIR COOLERS**

- Charge Air Coolers
- Compressed Air Coolers

**EQUIPMENT and APPLICATIONS**

Agricultural and forestry equipment  
 Construction and mining equipment  
 Compressors  
 Industrial equipment

- Reduced weight and costs
- Good heat transfer performances
- Attractive design
- High resistance to thermal loads
- Suitable for medium and large series
